DOMINION ORDERS IN COUNCIL.

P.C. No. 1592.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 11TH AUGUST, 1927.

THE Committee of the Privy Council have had before them a report, dated 29th July, 1927, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior, on behalf of the Campbell River Mills, Limited, for the right to occupy a portion of the bed of Sumas River in Sections Thirteen and Twenty-four in Township Twenty and Sections Eighteen and Nineteen in Township Twenty-three, east of the Coast meridian, in the Railway Belt, in the Province of British Columbia, as booming-grounds.

The Company has submitted surveys by a Dominion lands surveyor showing the area required—namely, twenty-seven acres and seven-tenths of an acre—which surveys are shown on a plan dated the fourteenth day of April, nineteen hundred and twenty-seven, and of record in the Department of the Interior under Number Thirty-five thousand three hundred and forty.

The Company has furnished the written consent to the issue of a lease of the parcel applied for from each of the owners or lessees of the adjoining land.

The application of the Company has been favourably reported upon after a careful inspection by an agent of the Department of the Interior, who also reports that it would be in the public interest to grant a lease to the Company.

The Department of Public Works has approved of the issue of a lease by the Department of the Interior to the Company, and the Chief Engineer of that Department has recommended the application of the Company under section seven of the "Navigable Waters Protection Act" for the approval of the plan and site of the booming-grounds.

The application of the Company was referred to the Department of Marine and Fisheries, which Department has no objection to the issue of a lease by the Department of the Interior.

The booming rights are necessary in the interests of the Company for the purpose of carrying on their operations.

The Minister, therefore, recommends that he be authorized to issue a lease to the Campbell River Mills, Limited, for the parcel applied for, for a term of ten years at an annual rental of two hundred and fifty dollars (\$250), subject to renewal under such terms and conditions as the Minister may then decide; that the lease be subject to cancellation upon six months' notice by the Minister of the Interior and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 1591.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 11TH AUGUST, 1927.

THE Committee of the Privy Council have had before them a report, dated 27th July, 1927, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior, on behalf of the Chehalis Logging Company, Limited, for the right to occupy a portion of the bed of Harrison River situate in Section Twenty-seven in the Third Township in the Thirtieth Range, west of the sixth meridian, in the Railway Belt, in the Province of British Columbia, as booming-grounds in connection with the lumbering operations of the Company.

The Company has submitted surveys by a Dominion lands surveyor showing the area required—namely, forty-four acres and seven-tenths of an acre—which surveys are shown on a plan dated the twenty-eighth day of December, 1926, and of record in the Department of the Interior, Ottawa, under Number 35353.

The Company has furnished documentary consent to the issue of a lease of the parcel applied for from each of the owners of the adjoining land.

The application of the Company has been favourably reported upon after a careful inspection by an agent of the Department of the Interior.

The Department of Public Works has approved of the issue of a lease to the Company as above set forth, and by an Order in Council (P.C. 1294) dated the 30th June, 1927, approval has been given to the application of the Company under section seven of the "Navigable Waters Protection Act" for the approval of the plan and site of a log-boom and other logging facilities to be constructed upon the parcel to be leased.

The application was also referred to the Department of Marine and Fisheries, which Department disclaims any jurisdiction over the title to the parcel applied for.

The booming rights are necessary in the interests of the Company for the purpose of carrying on their lumbering operations.

The Minister, therefore, recommends that he be authorized to issue a lease to the Chehalis Logging

Company, Limited, for the parcel applied for, for a term of ten years at an annual rental of five dollars (\$5) per acre, renewable for a further period of eleven years at such rental as may then be decided upon; the said lease to be subject to cancellation upon six months' notice by the Minister of the Interior and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

A By-law to expropriate certain Easements over the following described Lands, namely: The West 5 feet of Lots 11, 12, and 16 in the East Part of Block 11 of District Lot 526; the West 5 feet of Lots 34 and 57 in Blocks 6 and 7 of District Lot 2027; the East 5 feet of Lots 14, 36, 53, and 59 in Blocks 6 and 7 of District Lot 2027; the East 5 feet of Lot 4 of Lot 1 in Block 14 of District Lot 526; the West 5 feet of Lot 5 of Lot 1 in Block 14 of District Lot 526; and the West 5 feet of Lot 6 in Subdivision 9 in Block 3 of District Lot 526.

Passed by the Council the 22nd day of August, 1927.

Reconsidered, finally passed and adopted, signed by the Reeve and Clerk, and sealed with the corporate seal the 29th day of August, 1927.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the

House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule S3, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.
